BIO

Donnelly is an experienced construction attorney now focusing her career on transactional matters and advice and counsel. She has represented a wide range of industry players including private owners, public agencies, developers, general contractors, subcontractors, and product manufacturers in transactional matters and in residential, commercial, and heavy civil construction disputes, leasing disputes, fraud claims, strict liability claims, and personal injury claims. She is an effective advisor of individuals and businesses in contract drafting and negotiations and well-versed in traditional delivery methods as well as in the Integrated Project Delivery method.

Representative transactional clients include residential and commercial developers, publicly traded biotech companies, medical device manufacturers, government agencies, and institutions of higher learning.

Donnelly graduated in 2008 from UC Law San Francisco (formerly UC Hastings) and received her Bachelor's degree from the University of Maryland, College Park in 2005.

She has been recognized as a Northern California Super Lawyers Rising Star in Construction Litigation from 2014-2023.

ADMITTED IN CA & DC
